We are a private barn set in the beautiful hills of western Wisconsin. This is an easy destination to reach, just 40 minutes east of St. Paul; easy commute from central Wisconsin on freeways. Facilities include indoor and outdoor arenas and cross country jumps set on groomed trails and in a jump field.

From Minnesota:

- 1) From 94- take highway 94 east into Wisconsin. Take Exit 3 (Highway 35) to River Falls. Go 10 miles until you come to Highway 29 (stoplight). Go straight through stoplight, Highway 35 becomes Highway 65 to Ellsworth; you will go a total of 2.4 miles from the stoplight. In that distance you will come to a roundabout. Keep straightish through the roundabout to go south on 65 towards Ellsworth (**DO NOT** take Cemetery Road to the right towards highway 29). At the 2.4 milemark, turn right on County Road "O" which comes in at an angle. Go uphill about 1.5 miles, turn right (west) at the crest of the hill on 710th Avenue. Go $\frac{3}{4}$ mile on 710th, farm is on the left, log house and barn as shown above, gravel driveway.
- 2) To come over bridge at Prescott, take Highway 10 East over bridge into Wisconsin, turn left at bridge stoplight and continue on Hwy 10 up the hill until the first light (Hwy 29). Turn left on Hwy 29 towards River Falls. Bear right and stay on Hwy 29. Go about 10 miles, turn right on County Road E. Go about 0.5 miles, turn left on 710th Avenue. Go about 2 miles, pass 950th (Cady Lane), you will see the barn and house on right in distance. Turn right into driveway.

- 2) From Highway 94 (nearing Minnesota), take Exit 10 from Roberts and go south on Hwy 65 about 10 miles. Just after crossing over Hwy 35, do NOT continue into town. Instead make a left hand turn on the interchange to take Highway 35/65 south to Hwy 29 stoplight. Go straight through stoplight, Highway 35 becomes Highway 65 to Ellsworth; you will go a total of 2.4 miles from the stoplight. In that distance you will come to a roundabout. Keep straight-ish through the roundabout to go south on 65 towards Ellsworth (**DO NOT** take Cemetery Road to the right towards Highway 29). At the 2.4 milemark, turn right on County Road "O" which comes in at an angle. Go uphill about 1.5 miles, turn right (west) at the crest of the hill on 710th Avenue. Go $\frac{3}{4}$ mile on 710th, farm is on the left, log house and barn as shown above, gravel driveway.
